Web Mobile Setup

** From your computer **

- Go to tcbanknv.com
- Click Online Banking
- Log into Online Banking
Using your ID and password
- Click Options

The screenshot shows the Town & Country Bank Account Listing page. The browser title is "Town & Country Bank: Account Listing - Mozilla Firefox". The page features the bank's logo and navigation tabs: "Account Balances", "Bill Payment", "Go Green", and "Options". The "Options" tab is highlighted and circled in red. Below the navigation tabs, there is a search bar and a "Thank you for banking with us!" message. A "Welcome Town And Country Bank!" message is followed by a notification: "You have 4 new alerts...". A table titled "Deposit Accounts" shows two accounts: DDA1 with a balance of \$3.00 and DDA2 with a balance of \$1.00. Below the table is a "Customer Summary Information" section stating "2 Deposit accounts with a total balance of \$4.00" and providing the last accessed time and a link to "Reset this counter".

(Click for Transaction Details)			
DDA1	\$3.00		Select Option

Android App

- Launch Google Play Store
- Click Search

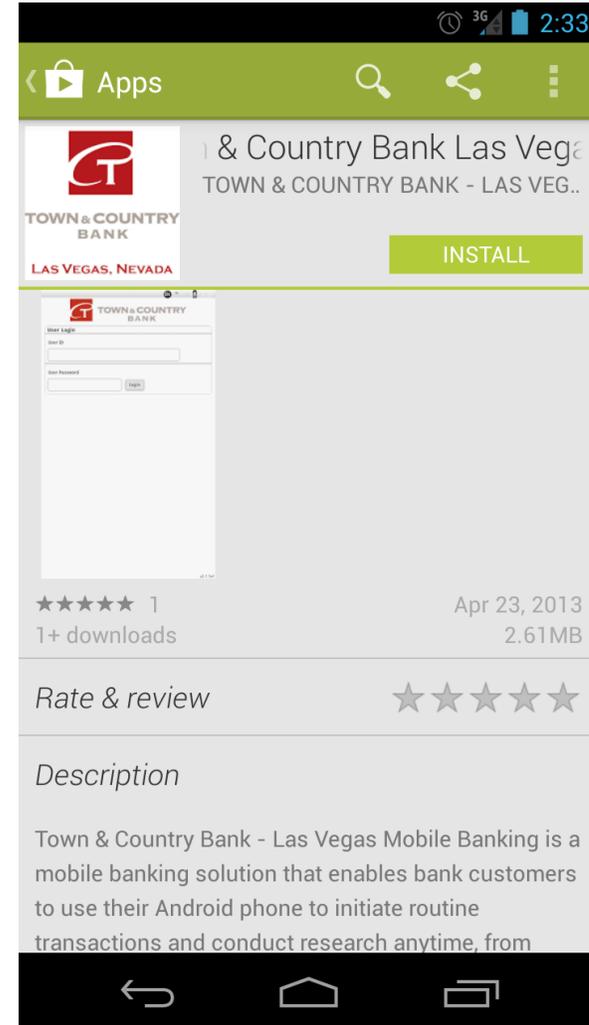

Android App

- Type in Town & Country Las Vegas

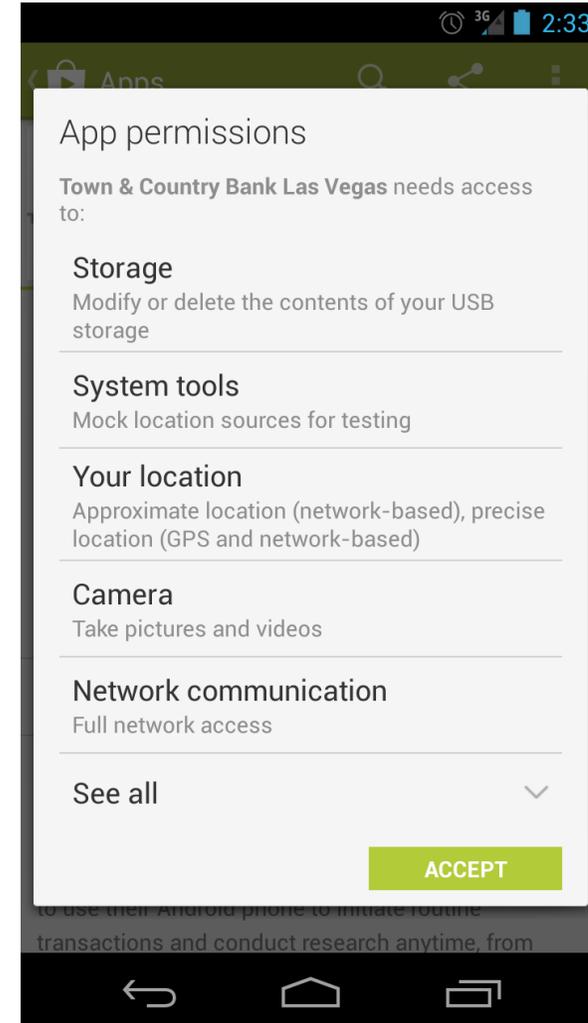

Android App

- Click Install

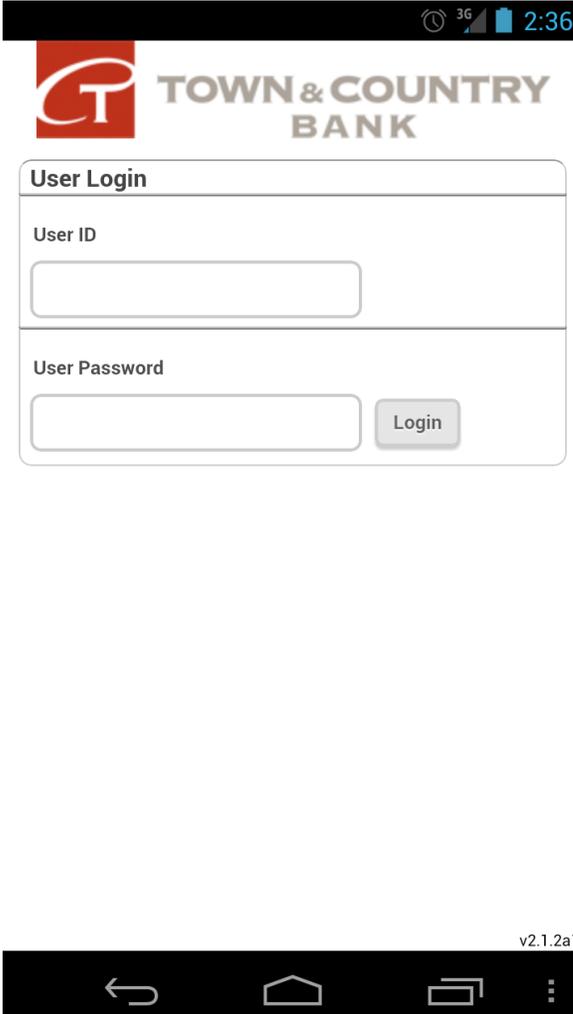

Android App

- Click accept to begin the install

Android App

- Enter your Online Banking User ID and Password

The screenshot shows the login interface of the Town & Country Bank Android app. At the top, there is a status bar with a clock icon, 3G signal strength, battery level, and the time 2:36. Below the status bar is the bank's logo, a red square with a white 'T' and 'C' inside, followed by the text 'TOWN & COUNTRY BANK'. The main content area is titled 'User Login' and contains two input fields: 'User ID' and 'User Password'. The 'User Password' field has a 'Login' button to its right. At the bottom of the screen, there is a black navigation bar with three icons: a back arrow, a home icon, and a recent apps icon. The version number 'v2.1.2a1' is displayed in the top right corner of the app interface.

- List of accounts enrolled in Mobile Banking
- Tap accounts to access account activity
- View & scroll through account transactions

Android - Transfers

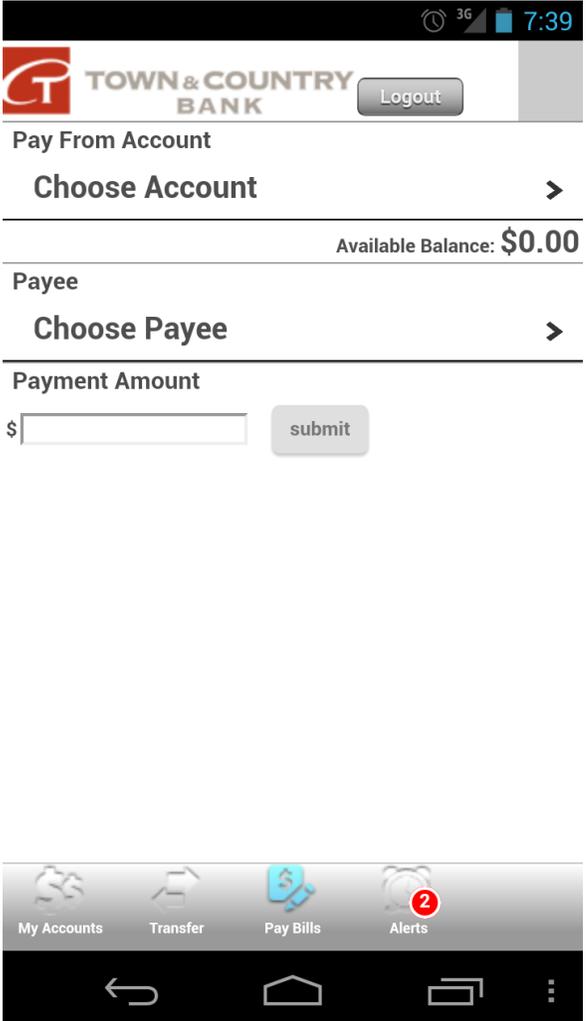

- Transfer between your own accounts *if* selected during setup (see [page 6](#))
- Select account to transfer from
- Select account to transfer to
- Enter amount and submit
- Confirmation text will confirm *if* setup in Online Banking

The screenshot shows the mobile app interface for Town & Country Bank. At the top, the status bar displays 3G signal, battery level, and the time 7:39. The app header includes the bank's logo, the name "TOWN & COUNTRY BANK", and a "Logout" button. The main screen is titled "Transfer From Account" and features a "Choose Account" button with a right-pointing arrow. Below this, there are two sections for "Transfer To Account", each showing a balance of "\$0.00". The "Transfer Amount" section includes a text input field with a dollar sign (\$) and a "submit" button. At the bottom, a navigation bar contains icons for "My Accounts", "Transfer", "Pay Bills", and "Alerts" (with a red notification badge showing the number 2). The very bottom of the screen shows the standard Android navigation bar with back, home, and recents buttons.

Android - Pay Bills

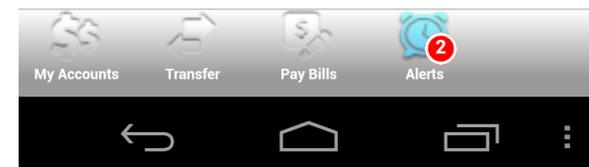

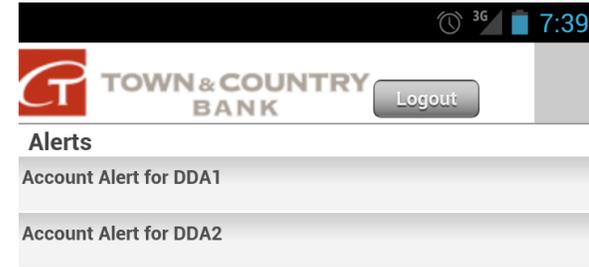

- ***NOTE*** Net Payees MUST be setup in Online Banking first
- Select Account
- Select Payee
- Enter amount & Submit
- Same Day Processing on payments submitted before cutoff time

The screenshot shows the Town & Country Bank mobile app interface. At the top, the status bar displays the time as 7:39, 3G signal, and battery level. The app header includes the Town & Country Bank logo and a 'Logout' button. The main screen is titled 'Pay From Account' and features a 'Choose Account' button with a right-pointing arrow. Below this, the available balance is shown as '\$0.00'. The next section is 'Payee', with a 'Choose Payee' button and a right-pointing arrow. The 'Payment Amount' section includes a text input field with a dollar sign (\$) and a 'submit' button. At the bottom, a navigation bar contains icons for 'My Accounts', 'Transfer', 'Pay Bills', and 'Alerts' (with a red notification badge showing '2'). The Android system navigation bar is visible at the very bottom.
